ATTENTION: FESTIVAL KITCHEN HELP WANTED

It is that time of year again, the 2010 festival is right around the corner and we need a lot of help. The people of St. Joseph Parish have been so generous in the past years with their time & talents, the Festival would not be possible without all of the wonderful volunteers. We will again this weekend have sign-ups sheets in the back of church. We need help in the Kitchen, Dining room, (**air conditioned**) also at the different booths. Please consider giving an hour or two in helping. For our young people that need service this is a great way to receive them. Call Julie Finn 781-0338.

FESTIVAL DESSERT DONATIONS

are needed to top off our delicious homemade dinners. Your pies, cakes, cookies, brownies, and special diet desserts can be dropped off at Memorial Hall on Sunday morning, August 8 after the 8:00 Mass and throughout the day. Your help is greatly appreciated.

SUPER RAFFLE TICKETS...

Raffle Tickets will be available for sale after masses this weekend. Tickets are \$50.00 and sales will be limited to the first 1,000 tickets. Please support the Parish Festival and take your chance on winning a Ford F150, Ford Fusion, or \$15,000 cash. Questions may be directed to Brian Callahan at 859-801-5975.

REMINDER: Due to parish festival there will not be a 7:00 PM Mass on Sunday evening August 8th.

Reflection... Wouldn't you know? Someday, someone in a crowd somewhere would ask an inappropriate question of Jesus. This poor fellow who shouted out his question to Jesus honestly must have expected him to solve his inheritance problem. It was foremost on his mind, and whoever was passing through town—prophet, Messiah, miracle worker—the man's inheritance was all that mattered. Jesus answered the man's question as honestly as possible and then used it as an occasion to talk about wealth. When our accumulation of wealth becomes paramount, he says, we run the risks of division. The unfettered drive for wealth can drive a wedge between family members and friends. Accumulation of wealth can divide one's heart and steal one's time. The lopsided pursuit of wealth can determine the place and duration of meals, whittle away at weekends, cancel vacations. It can create new barns crowded with new things. It can forge connections that aren't worth much. It can buzz and ring and beep at us all day long. This kind of wealth is not worthy of the human soul. It is not a worthy expenditure of time and energy.

When Luke writes his version of this story, he has in mind the end times. Members of the early Church were conscious of the Second Coming of Jesus, and they thought it was imminent. This expectation colored their view of life on earth, and it colors this story. Whether or not one is preoccupied with the end times, the parable holds true. It echoes other parables that insist that we be rich in God and consider all other riches in relation to that.

CHURCH BIDDING PHASE BEGINS...
