Youth Service Ministry

Policies and Expectations

The following items are to insist and ensure the safety of all children involved with this parish youth ministry. They will be enforced. Some are mandatory extensions of school policies.

- E-mail meeting invitation response must be received by end of day prior to meeting. Please let us know if there are technical problems and we will work out another solution.
- If a child is unable to attend a meeting, please call the school office by 2:45 p.m. and let them know of the change. We will check messages prior to school dismissal. When we meet the children at school dismissal, we want to make sure we don't leave anyone behind.
- Meeting end times will generally be 4:30 p.m. Please make arrangements to have your children picked up at that time. If, however, an emergency arises, please try and call and let us know. If there are more than 2 late pick ups from our meetings or events your child(ren) will no longer be able to participate.
- If we are meeting or serving off the Parish property, a permission slip is required. Permission slips will need to be received one day prior to meeting.

Thanks for your attention and cooperation to these important points. We look forward to serving with your children.
